

# **Middle and High School Presentation Evaluations**

## **By Terry Gips for the Alliance for Sustainability [www.afors.org](http://www.afors.org)**

*Thanks so much! I think the content of the training is excellent and Terry clearly has great capacity to bring this work to anyone. – Emily Puetz, Eden Prairie Public Schools, MN*

*I will think differently about everything I use and will make home and classroom improvements. – Lisa Neuburg, Wisconsin Public School teacher, Colfax, WI*

*This was a wonderful, empowering workshop. What was most valuable to me was knowing about the positive changes happening in the world. As a result of the seminar I will change my occupation. – Mary Joiner, Teacher, New Paltz, NY Public Schools*

*It was the best thing I could have heard. – Alex Sundvall, High School Student, St. Louis Park, MN*

*Your presentation at Northwest Passage High School in Coon Rapids was awesome! - Jeni Hollermann, Program Director, Eco-Education, St. Paul, MN*

*We can't thank you enough for your presentation. Your experience, knowledge, personal stories and presence moved and inspired the group tremendously. - Jennifer Tacheny, Co-Director, Celeste's Dream: Spirituality Center for Young Adults, Carondelet Center, St. Paul*

*Thank you for everything you taught at your AMAZING seminar. You are a wonderful speaker and you gave me even more hope for the future. It was FABULOUS to have this as the ground stone of our school. - Dorothée Leclair, Teacher, French Academy of Minnesota, St. Louis Park, MN*

*This seminar should be given in every school to all students. – Edie Green, Executive Director, Intercultural Student Experiences, Minnetonka, MN*

*Thanks for spending time with our 7<sup>th</sup> graders. You are the perfect role model to speak with them, since you live what you preach. Your presentation was outstanding. You have a wonderful manner with the students and they get so much out of learning from you and being with you. – Mary Baumgarten, Teacher, Minneapolis Talmud Torah*

*The kids were definitely moved by your keynote presentation and will stop to think about things more than before. - Margaret M. Hodapp, VP for Lasallian Mission, De La Salle High School, Minneapolis*

*Thank you for coming today to educate us and discuss sustainability with our education team. Everyone was very enlightened and excited at the potential prospects awaiting us. – Darcy Schnitzer, Administrative Director of Education, Temple Israel, Minneapolis*

*Thank you for the wonderful training session at the French Academy. It was GREAT and I had fabulous feedback. – Veronique Liebmann, Director, French Academy of Minnesota, St. Louis Park, MN*

*It was beyond my expectations and energized my brain. I want to implement changes in my home, teach the values to my daughter who is 14, create an action plan for bigger changes and create a Spanish and Somali powerpoint presentation for my school. - Pamela Rojas, Minneapolis Public Schools*
